ACCESSORIES FOR YOUR GRENADIER

LETECH ROOF RACK

Discover the extensive LeTech accessories for your Ineos Grenadier and get ready for your next off-road adventure! With the LeTech roof rack and the side-mounted railing, you get the solution for transporting heavy roof loads or mounting roof tents and awnings. Also available are additional accessories such as the LeTech axe holder, the LeTech shovel holder, the LeTech sand plate holder and

various mounting kits are optionally available to meet individual needs. The LeTech roof rack can be optionally equipped with two LED multi-chamber work lights, which are mounted at the rear and have additional functions such as brake light, turn signal light and reversing light. Thus they provide increased safety and visibility in various driving situations. With the LeTech roof rack, the Ineos Grenadier

adds a slim 65 mm to the overall height, allowing you to enjoy the full Flexibility and off-road capability of your vehicle. The optional safari windows remain fully functional. Through the closed design wind noise can be reduced to a minimum.

- LeTech roof rack for Grenadier | Item no.: 11006

6 SUSPENSION

Discover the perfect combination of impressive off-road performance and outstanding road holding! The LeTech suspension for your Grenadier, developed in cooperation with Reiger/ KW suspension consists of four high-quality coil springs and four aluminum BigBore shock absorbers with reservoirs. These are equipped with technologies from

motorsport, and are 4-way adjustable (low-speed and high-speed rebound damping as well as low-speed and high-speed compression damping). This allows you to customize the suspension to your Grenadier. The elevation by approx. 40 mm also creates sufficient clearance for appropriate offroad wheels.

LeTech shock absorber 4-fold rebound and compression adjustable for Grenadier | Item no.: 11082

WHEELS

Discover the possibilities of alternative tires for your Grenadier! With 17" and 18" All-Terrain and MudTerrain tires, you can experience the full potential of your vehicle. The use of larger tires brings several advantages at once. For one thing ground clearance, which allows you to tackle more challenging terrain without any problems. On the second, the larger cross-section of the tires improves

comfort, as they absorb bumps and impacts more effectively. In addition, you increase the advantage with adjusted air pressure.

On request, the corresponding off-road tires can be equipped with the LeTech Hutchinson Beadlock rim 8,5x18".

17"

Tire 285/70 R17 121/118Q BF Goodrich Mud-Terrain KM3 | Item no.: 11125

Tire 285/70 R17 117T Yokohama Geolander AT | Item no.:11126

18"

Tire 275/70 R18 121P Toyo Open Country MT 75dB | Item no.:11124

Hutchinson beadlock rim 8x5x18" ET55 | Item no.: 11111

Beadlock ring 18" | Item no.: 1279

LETECH OFFROAD RUNNING BOARD

Add the LeTech Off-Road Running Board to your Grenadier and experience enhanced functionality and aesthetics. Compared to the factory installed the LeTech Offroad running board provides more ground clearance and allows you a comfortable entry into your vehicle. The safe anti-slip embossing make it easier to access the roof rack. The Offroad running board also features stainless steel

mounting points for the High Jack. In addition, the running board protects for the sensitive sill area of your vehicle during adventurous drives. The off-road running board is made of resistant fine-grained steel and finished with a KTL primer and a powder coating. This ensures reliable protection against corrosion and a long-lasting, high-quality appearance, even under demanding conditions.

LeTech Offroad - Running board for Grenadier | Item no.: 10951

HEADLIGHT BAR AND LED LIGHT BAR

The LeTech headlight bar with LED light bar or LED round headlights are the perfect addition to your roof rack. You have the choice between round headlights in 6x version (6 x 9600 lumen) or the classic 50" LED lightbar (38400 lumens). With our high quality LeTech LED headlights you are well equipped for any off-road challenge. No matter if you are driving through the dense Scandinavian forest or a gloomy desert - the right light is indispensable to clearly see the way, obstacles and danger spots.

LED Round Headlight 7" | Item no.: 10939

LeTech Headlight Bar Light Bar for Grenadier | Item no.: 11080
LED Light Bar 50" | Item no.: 11072

LETECH WINCH ATTACHEMENT

With the LeTech winch attachment you are well equipped for traveling or adventures in the forest. The steel welded assembly replaces the center piece, which is otherwise made of plastic. The winch is also easily accessible and quickly ready for use. Even if your Ineos Grenadier is equipped with a cable winch ex works, we can easily integrate it into our winch attachment.

LeTech winch attachment for Grenadier | Item no.: 11018

Warn Zeon 10 | Item no.: 2490

Radio remote control | Item no.: 6714

LeTech winch cover foldable | Item no.: 11129

LETECH DRAWER BOX

Your adventure begins with optimal order! Organize your cargo space with the LeTech drawer box! The LeTech drawer box is fixed to the loading floor and offers two spacious drawers (each 790x430x130 mm) with variably divisible drawer compartments. In addition, pieces of luggage can

be secured with the help of the fixed lashing rails on the top of the LeTech drawer box. This way, you can keep important travel items organized and within easy reach. In addition, the LeTech drawer box forms a flat surface with the folded down bench seat of your Grenadier.
